Damn—— why doesn't anything —— come to my mind ——!!

Why can't I think of anything !!

That object floating on the sea ‖
Everyone, please take a look. Can you see it ?
Ah..!? It's opening up ‖
Is that object the meteorite that fell yesterday ...!?

What on earth is that structure ..... and why is that meteorite floating in the sea ?

A structure that looks entirely like a palace is built at its center !!

What's this!? There are figures on top of the tower.. Eh. Ahhh
BOOM

イェブヨシ

It's all over already
..It's already hopeless.. The Princess Star has come to Earth

For Sis
Take a look, Takumi

Even now I am using it as a treasured item
.....

The two of us will live our lives together ... Despite that...
When dad and mom died, I swore that ...
Your body can't carry on like that you know ?
Since yesterday, you haven't eaten a thing, right?
Tokiha ...?
You haven't slept right? If you don't eat some food ...
I don't feel like eating ...
イェブヨン

イェブヨシ
I told you I don't feel like eating, right !!
To... To-kiha .....
I don't want to eat anything!! I don't want to meet anyone!! I don't want to hear anything !!
I understand Takumi's death changes nothing, this world still goes on !!
It continues on the same way as always everyday.... I'll rather not have that as well !!
Nobody understands how I feel ...!!

イェブヨシ
Nobody's grieving over Takumi's death !!!
Who isn't grieving !?

Don't say such lone-some words

イェブヨシ

イェブヨシ

This is regrettable, Takumi. I can say that through great pains, we have become good classmates

イェブヨシ

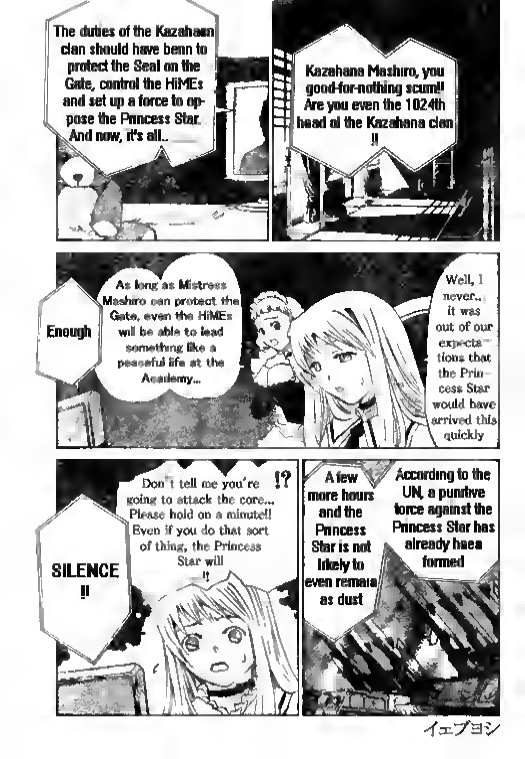
We handled the Russian Navy
The American 7th Fleet that came to attack us some time ago has been destroyed by my hands
Please get her a change of clothes
This is Princess Mai, like you, she is one of the 3 Greatest Young Beauties
Thank you very much, my adorable servants
Is that so
We will do as thou biddeth
Leave it to us



The duties of the Kazahana clan should have been to protect the Seal on the Gate, control the HiMEs and set up a force to oppose the Princess Star. And now, it's all..
Kazahana Mashiro, you good-for-nothing scum!! Are you even the 1024th head of the Kazahana clan !!
Enough
As long as Mistress Mashiro can protect the Gate, even the HiMEs will be able to lead something like a peaceful life at the Academy...
Well, I never.. it was out of our expectations that the Princess Star would have arrived this quickly
SILENCE !!
Don't tell me you're going to attack the core... Please hold on a minute!! Even if you do that sort of thing, the Princess Star will !!
!?
A few more hours and the Princess Star is not likely to even remain as dust
According to the UN, a punitive force against the Princess Star has already been formed

イェブヨシ

!?
Your opinions are no longer needed!! You good-for-nothing of a ----!!
You can't do that... Screaming and shouting at such a cute little girl .....
All thanks to you so far
Nagi!? You're alive ...!?
There is no longer any need to kill you
ふっ
ふっ
イェブヨシ

The HIMEs were made to fight the Orphans
For the goal of making them forge their powers to be worthy of a wife of the Obsidian Lord
For the goal of making the Princesses capture you and opening the Seal on the Gate
Do you know how hard that was!
tsk
I was troubled that the revival of the Princess Star was delayed by your Childs' power you know
But... that sort of worry is no more as well
Well... it would be wise of you as well to clear your ears and listen closely
Very soon, it will be time for the Obsidian Lord's attestation
イェブヨシ
47
O...oi, are you all right!?
Akira.....!!
...Uhh.....
ハッキ

Uhhh..... where is this place ..!?
What happened !?
In the hospital we found you col-lapsed in the morgue
What happened to Tokihs and Tekumi's body !?
I.. I don't know about the sister
But... Takumi .....
Ahhh test... test Mike test, mike test
!!?

Give thanks to the Obsidian Lord for the honour of being allowed to listen to his attestation
Well then from here on
Can you hear me? Can you hear me
Well then. the Obsidian Lord, if thy Lord pleases
Takumi is..... Tokiha Takumi is ...
Wh... what the !?

イェブヨシ

Takumi !!?
Tokiha Takumi is the Obsidian Lord !!!
As has been introduced just now, I am the Obsidian Lord
I will wipe out you bunch of primitive humans, destroy the current world, then create a new one from it
I will be the governor who is the Creator
イヒヴヨン

Do you know of the babies who once came to be born on Earth to create this world?
The world now is nothing but an imitation shaped on this Earth coming into existence after those babies
However those babies were shunned and rejected by their Mother Star

First things first
I will restore the world back to what it should be originally
That's why I will be wiping out this current imitation of the world

イェブヨシ

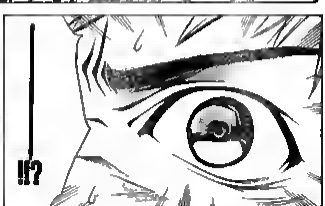
The destruction of Washington D.C.
Hohoho-hoho, this is completely too easy
Why did this have to happen
Ta Takumi
With that, do you understand that I mean what I say?
イェヨシ

I don't care if you have any complaints or even if you come to attack. I'll be in my Obsidian Palace

Alas, it is fine to end your short lives in a spectacular fashion, it is also fine to offer prayers and lead an idle life

Your fates have already come to an end. If you come to the Obsidian Palace, we will treat you as an opponent

We are ...



!!?

イェブヨン

イェブヨシ
The Universe's Three Greatest Young Beauties !!!
Mai !?
Tokiha !!?
Miss Tokiha is a Queen .....!?

イェブヨシ
Launch the missiles !!
It is meaningless to resist

The only choice left to you is ...
Hope-fully you all under-stand by now ?
You are all no match for us

To just accept your fate

イェブヨシ

Takumi and Mai .....
Even if we fight them, we have no chance of winning !!
Let's run away !!

I'm the first to run away!! Bunch of idiots
Akane
I don't know what is what anymore ...!!
I'm just a normal person, I must treasure my life
If you all don't want to die as well, run away quickly
The goal of those fellas is to wipe out the human race. Sooner or later, you will be dead
You won't be able to run away
イェブヨシ

イェブヨシ
There's only one way to defeat the Obsidian Lord
And that is through nothing but the power of the HiMEs
There is the Gate that is sealed
So then, what should we do ?
Hold on, you!! Don't tell us un-necessary stuff, okay !!
If we use the Gate, the Obsidian Palace where the Obsidian Lord is
Is where we will be jumping straight into their midst*
Okay, let's go
Let's go right now, I want to eat Mai's dinner !!
But
* the literal is "plunge right into those fellas' throats" but I doubt they meant it as the English idiom, which would have meant "to get angry at them"

What chance of victory do we have ?
Miss Miyu was that strong and yet — wasn't she completely broken and dealt with ?
Miss Sugiura and Haruka are still unconscious.

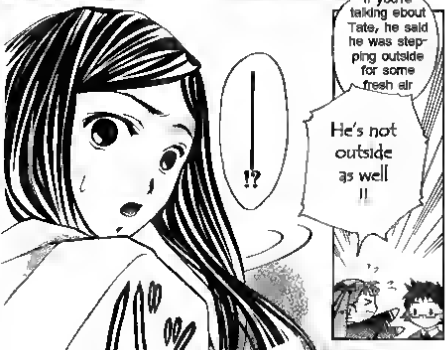
ドン…
?

イェブヨシ

…
Sis

Huh
!?

Brother dear!! Brother dear is missing !!



If you're talking about Tate, he said he was stepping outside for some fresh air
He's not outside as well !!
!?

イェブヨシ

Don't tell me he ??

Oh ?

Huh!? it's you? And to think that i am here waiting and expecting some HiME to pop through ...
!?

Nagi!!? Aren't you..... dead ...!?
... Ah... that .....
I wonder, what can I tell about myself ?
Well now, what on earth did you come to this sort of place to do?
!!?
ズズズ

イェブヨシ

Furthermore, rather than a rifle or machinegun, you intend to face us with that *shinai*?
We have no use for you anymore. The Obsidian Lord has met with Princess Mai
Oh dear, oh my, it seems like you have the motivation to do so

イェブヨシ

I am ...
Going to meet with Tokiha !!!
Then do your very best, okay ...
Damn

But ...
You're not even worthy to be a playmate
Gaah
Die!
Die!
Damn .....
Die!
Die!

イェブヨン

!!?

You actually carried it with you.... The present I gave to you

As expected no matter what, I cannot agree with it
Why
.....

I'm naturally more of a "Young Beauty" than that bunch, aren't I !!
Yuuichi and Natsuki have gotten into the Obsidian palace!!!
The counterattack by the human race has begun!!!

第39話／戦闘開始 The Commencement of Battle イェブヨシ

But if I do it indirectly...
You have completely forgotten that Elements and Childs are ineffective against me?
Maybe.....
イェブヨン
Physical attacks should be effective!!!
That is not a bad approach to the situation, eh. However
You think to defeat me with that? If you don't understand the situation...
These fellas are multiplying.....!!?

イェブヨン
Shce and Dice Attack
Tosotsuken!!!
Shuriken of Reckless Destruction!!!
You gals

How do these fellas exist like this
Like they said, offense is the greatest defense, eh. Anyway, if we are gonna get attacked, we might as well attack first
I don't know
But we will defeat all that stands in our way!!

Okay, we won't be defeated in this situation
I'm going to meet with Mai
I'm entrusted with the mission to defeat the Obsidian Lord
At last, this is becoming enjoyable !!!
イェブヨシ

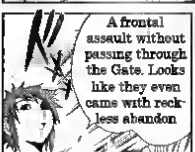
I was told by Mistress Alyssa to bail you out
I will take care of this
The lot of you go ahead first
Hmm, it's needless to say that

It seems like we have guests coming
You girls, please play with them for a while

イェブヨシ

The Obsidian Lord's order
We understand



A frontal assault without passing through the Gate. Looks like they even came with reckless abandon

イェブヨシ

Why didn't you wake us up earlier !?
Sheesh, while we were sleeping !!

There will only be talk about defeating the Obsidian Lord !!!
But even now we will turn the situation around in one shot !!!

That's right you two go off together!! Leave this to us to take care of !!

Whatever stop moping and just get a move on quickly
Sorry, we'll leave this to you then !!

My Secret
by Kazahana Mashiro
6th Year, Class A
I am appointed the Chairmen but I am really an 11 years old Elementary School 6th year student. Everyone will be saying that's a lie but there's no way to go about it since it is the truth
I am unable to think of any other situation than this..
Was Miss Chairman the one who saved us I wonder.....?
Natsuki's imagination : Look what she imagines Mashiro to be wielding, now repeat what she imagines Mashiro is chanting "Phiira Rrugiira Pkiiupp~!" Sounds familiar?? ^o^
!!?
I felt that it is too sly of me as the Chairman to have dragged a lot of people into this and to have gone into hiding myself just like that.
So I have come to defeat the Obsidian Lord.
The End

I'm meeting you for the first time as the Obsidian Lord
I have come to meet with you for one time
Mr Tokiha Takumi
You took advantage of this disturbance and marched straight in here?
We've come to stop you !!
Are you able to stop me ?

... I was always thinking about things while lying on my bed

Why must I suffer only this sort of painful feelings ?
Why is my body so weak? Why can't I become even a bit better ?
Why is everyone able to so irresponsibly say "keep up your chin" or such in a friendly manner ?
I realised
Then
It is all this world's fault, isn't it
イェブヨン

And so I will be able to create and change this into the world I hope for, the world I think of
You think we're going to go along with that childish tantrum of yours !!

This will become the world that I can do with as I like

A world where I am healthy
A world where I am not looked down on
A world where I can make people do what I please

What ...!?

I was doing all my best for Takumi's sake. Is it that I could not bear to have him gone ?
